White sand beach, shady coconut palms, light tropical breeze, warm Caribbean sun, what more could one ask for in paradise? Located in the middle of the Florida Keys, we are an ideal spot to relax and enjoy the Keys lifestyle. Our freshwater pool is only a few steps from the turquoise waters of the Florida Straits.

There are several fine restaurants and bars within easy walking distance as is a par 3 golf course and tennis court.

Along the causeway to the island, there are some of the best charter boats in the Keys to take you out for the fishing trip on a lifetime. Release the captain in you and rent a small boat from the marina there to explore the desolate islands or go out to the reef and catch your own. Numerous great fishing charters, rental boats, rental bicycles, bait and tackle scuba gear and dive instructors are nearby.

Revel in Key West and use the affordable shuttle bus that leaves nearby hourly and not worry with the drive

We now have a new grilling area to cook your catch or grill a steak or two, BBQs and Gas included
Several Tiki huts to enjoy are just outside your door as are numerous chairs and tables

They will try and put all Club Member rooms contiguous

Trip is Free-Flow – you can do whatever you want; join the group or venture out on your own
